Intended Audience

This app is designed for U.S. nurse practitioners and nurses who are interested in improving their recognition of benign and pathologic heart sounds and murmurs.

Educational Objectives

Upon completion of this educational app, the participant will be able to:

- Identify normal heart sounds versus abnormal heart sounds
- Identify benign and pathologic murmurs
- Differentiate between murmurs that warrant further evaluation and those that do not

Accredited Provider

This app is jointly provided by eMurmur and Partners in Healthcare Education, LLC, accredited by the American Association of Nurse Practitioners as an approved provider of Nurse Practitioner Continuing Education.

Producer

Produced by eMurmur in conjunction with Partners in Healthcare Education LLC.

Faculty

Wendy L. Wright, DNP, ANP-BC, FNP-BC, FAANP, FAAN, FNAP
Adult and Family Nurse Practitioner
Owner - Partners in Healthcare Education

Accreditation Statement

This app was planned in accordance with AANP CE Standards and Policies. Partners in Healthcare Education, LLC, is accredited by the American Association of Nurse Practitioners as an approved provider of Nurse Practitioner Continuing Education, provider # 031206.

Designation Statement

Partners in Healthcare Education designates this educational app for a maximum of 22.00 CE credits, of which 0.00 is pharmacology credit. Participants should claim only credit commensurate with the extent of their participation in the activity.

Instructions

This program is run through the eMurmur Primer app for iOS. It is not available for Android. After you purchase the program package at emurmur.com/primer, you will receive an email from eMurmur confirming your purchase, including instructions on how to access your purchase through the eMurmur Primer app. You will be required to download the free eMurmur Primer app from the app store onto your iOS mobile device and log in with the same email you used for your purchase. After login, you will automatically have access to your purchase.

If you do not receive an email with instructions, please be sure to check your spam folder or send us an email at primer-ce@emurmur.com.
